

Landlord Recommendation Letter

From

Date _____, 20____

To Whom This May Concern,

I, _____ [Landlord's Name], without reservation recommend
_____ [Tenant's Name] as a tenant in your commercial
 residential space. As my tenant from _____ [Lease Start Date] to
_____ [Lease End Date] there were a total of ____ occurrences where the rent
was late. During such time, the monthly rent was \$ _____ [Monthly Rental
Amount].

During my relationship with the tenant I have experienced an individual who always
carried themselves in a polite, respectable manner. In addition, the tenant properly
maintained the property and made no unreasonable demands or complaints during their
tenancy. I would gladly rent any property of mine to the tenant again.

If you have any questions, feel free to contact me at any time.

Sincerely,
