

Wisconsin Check-In/Check-Out Rental Condition Checklist

This checklist is intended to be used both as a way to record the condition of the apartment when you move in and as a way to compare the move-in condition with the condition when you move out. This means that you should complete the move-in checklist carefully and be sure that both you and the landlord, or a witness who will not be living with you, sign the checklist. In the "Comment" column, describe any problems you find. Use a separate sheet of paper if you need it to describe the situation or add to the checklist, as each rental is item specific. Give a copy of the completed checklist to landlord for both Check-in/Check-Out.

Remember, you may be charged for correcting problems that aren't noted on the check-in sheet. Photos may be helpful, particularly if they are dated. Keep the completed checklist with other important papers/records so you will have it when you move out. If the landlord promises repairs, ask that the promise be put in writing and signed with an estimated completion date.
