

# West Virginia Voter Registration Application

**Please read the instructions below. Note: Your registration cannot be processed without your full legal name, date of birth, driver's license or state ID number (unless none), residence address, affirmation of eligibility, and signature. Please print in blue or black ink.**

- Line 1** Mark if this is a new registration, party change, or name/address change.
- Line 2** Provide your full legal name, including any suffix (such as Jr., Sr., III), date of birth, and gender. You must be at least 17 years of age and 18 by the next general election to register to vote.
- Line 3** Enter your DMV issued driver's license or state ID number. If you do not have a driver's license or state ID, enter the last four numbers of your social security number. If you do not have any of these numbers, enter the word "NONE," and a voter ID number will be assigned to you.
- Line 4** Provide your residence address (the address where you live). Check the box if you live within city limits. Include the name of the county where you live.
- Line 5** Provide the address where you receive mail, if different than your residence address. Enter a telephone number (for office use only) and email (for office use only).
- Line 6** Select your party choice. You may vote a party primary ballot only if you are registered with that party; however, parties may allow voters who are not affiliated with their party to vote their ballot upon request.
- Line 7** Enter the address where you were last registered to vote and the name under which you were registered.
- Line 8** Mark if you would like to be contacted about serving as a poll worker.
