3. Duration of Plan

If you have questions about emancipation or jurisdiction, please consult an attorney or review the definitions on the Representing Yourself website.

Decisions Concerning the Children

4. Types of Decisions

The three types of decisions that parents must make concerning their children are major decisions, daily or everyday decisions, and emergency decisions.

A. Major Decisions

Major decisions are the important decisions about the children. Major decisions are made by **the parent or parents with legal custody**. The following are examples of major decisions:

- The choice or change of schools, including college or special tutoring,
- The choice or change of doctor, surgeon or dentist,
- Church or religious instruction, training or education,
- Selection of child care (daycare, babysitters, afterschool programs),
- Major medical care, surgery, or any medical procedure requiring hospitalization or out-patient surgery,
- Major dental work and orthodontics,
- Psychological or psychiatric treatment or counseling,
- The choice or change of camps or other special or extracurricular activities, including sports,
- The extent of any travel away from home,
- Part or full-time employment of the children,
- Whether the child gets a driver's license, drives or purchases a motor vehicle,
- Birth control and sex education,
- Actual or potential legal action on behalf of the children.
- B. Daily or Everyday Decisions

Daily or everyday decisions are routine decisions like minor medical treatment, bedtimes, homework, chores, selection of clothing and normal daily activities.

Daily decisions shall be made by **the parent having actual physical custody at the time** of the decision. The parents shall work together to create consistent routines for the best interests of the child.

C. Emergency Decisions affecting Health and Safety

Emergency decisions are decisions of an urgent nature. They affect the immediate health and safety of the children and have to be made before it is possible to contact the other parent.

The parent who is with the minor child requiring emergency care may make the emergency decision. The parent making the emergency decision shall advise the other parent of the nature and extent of the emergency as soon as possible.

5. Access to Medical, Dental and Educational Records of the Children

Unless otherwise provided in this *Parenting Plan*, both parents are entitled to access records and information pertaining to the children, including, but not limited to, full and complete medical, dental, and educational records subject to Part A, Paragraph 21.

8. Issues not to be Discussed in the Presence of the Children

The parents shall avoid discussing parenting issues, financial issues, and other topics related to these proceedings when the children are present.

The parents should prevent other people from making negative, derogatory or degrading statements about the other parent in the presence of the children.

9. Dispute Resolution Procedure

This is the manner in which the parents will resolve disagreements concerning the children. This includes disagreements on the meaning or interpretation of any provision of this plan. The parents shall present their disagreements to a mediator chosen by them for non-binding mediation. In the event that the parents cannot resolve the dispute by mediation, they may submit the issue to the court through appropriate proceedings.

- 13. Vacation Schedule (Check one of the two boxes)
 - □ No specific weeks will be set aside for our vacations.
 - Each parent may designate ______ week(s) each year during which they will have exclusive physical custody of the children and the regular schedules do not apply. However, during this period, the Holiday Schedule still applies. Petitioner shall have first choice of weeks in odd-numbered years. Respondent will have first choice of weeks in even-numbered years. The parent with the first choice of weeks must designate the vacation weeks by March 31 of each year. The parent with the second choice of weeks must designate the weeks by April 15 of each year.

Holidays and vacations do not alter the "Week One" or "Week Two" designation, but they do apply ahead of the regular schedule. If the holiday schedule conflicts with any other schedule, the holiday schedule takes precedence.

Other Provisions Concerning the Children

14. Location of Exchanges (Check one of the four boxes)

If a specific location for an exchange is not stated on the schedule, then the exchange shall occur at the following location:

- ☐ All exchanges shall occur at the children's school or child care provider when school or child care is in session. If, or when, school or child care is not in session, all exchanges shall occur at the locations as follows:
- All exchanges shall occur at Petitioner's Respondent's residence. (Check Petitioner or Respondent if you choose this option)
- The parent receiving custody of the children shall pick up the children at the other parent's residence.

Exchanges shall occur at the locations as follows:

15. Transportation

Each parent will pay the expenses associated with his or her own transportation to and from the exchange location unless otherwise indicated in this *Parenting Plan*.

16. Notification of Change from Residential Schedule

In the event either parent cannot exercise the scheduled time with the children, he or she should tell the other parent as soon as possible, but not later than 24 hours before the start of the scheduled time with the children. If a parent anticipates that he or she may have to cancel at the last minute, he or she should advise the other parent of the possible last minute conflict. If a parent fails to notify the other as set forth above, he or she shall be responsible for the reasonable costs incurred by the other parent.

17. Telephone Contact with Children (Check one of the two boxes)

Each parent may contact the children in a reasonable manner when the children are with the other parent.

- □ Neither parent may contact the children at the other parent's residence earlier than _____ a.m. or later than _____ p.m.
- There are no restrictions on the time to contact the children.

Each parent shall provide the other parent with the telephone number at which the children may be contacted. Neither parent shall configure their telephone system in such a manner as to "block" or prevent the other parent from calling.

When a parent travels out of town with the children for at least 24 hours, he or she must notify the other parent of the children's destination. He or she must also provide a telephone number where the children can be reached.

18. Children's Activities

The parent who has the children at the time of the activity is responsible for getting the children to their school or extracurricular activities. Each parent shall not schedule activities that occur primarily when the children are with the other parent without the other parent's consent.

19. Relocation

§452.377, RSMo states, "Absent exigent circumstances as determined by a court with jurisdiction, you as a party to this action are ordered to notify, in writing by certified mail, return receipt requested, and at least sixty days prior to the proposed relocation, each party to this action of any proposed relocation of the principal residence of the child, including the following information:

- (1) The intended new residence, including the specific address and mailing address, if known, and if not known, the city;
- (2) The home telephone number of the new residence, if known;
- (3) The date of the intended move or proposed relocation;
- (4) A brief statement of the specific reasons for the proposed relocation of the child; and
- (5) A proposal for a revised schedule of custody or visitation with the child.
- (6) The other party's right, if that party is a parent, to file a motion, pursuant to §452.377, RSMo, seeking an order to prevent the relocation and an accompanying affidavit setting forth the specific good-faith factual basis for opposing the relocation within thirty days of receipt of the notice.

Your obligation to provide this information to each party continues as long as you or any other party by virtue of this order is entitled to custody of a child covered by this order. Your failure to obey the order of this court regarding the proposed relocation may result in further litigation to enforce such order, including contempt of court. In addition, your failure to notify a party of a relocation of the child may be considered in a proceeding to modify custody or visitation with the child. Reasonable costs and attorney fees may be assessed against you if you fail to give the required notice."

The residence of the children may be relocated sixty (60) days after providing notice unless a parent files a motion seeking an order to prevent the relocation within thirty (30) days after receipt of notice. Such motion shall be accompanied by an affidavit setting forth the specific factual bases supporting a prohibition of the relocation.

20. The courts must consider any pattern of domestic violence when it awards custody of the children. *(Check one of the three boxes.)*

Domestic violence is abuse committed against another family or household member. Missouri law requires the court consider issues related to domestic violence before making decisions related to the children.

- There has been no pattern of domestic violence between the parents.
- □ There has been a pattern of domestic violence between the parents, with □ Petitioner □ Respondent committing violent acts against the other parent or another family or household member. (Check Petitioner or Respondent if you choose this option)
- There has been a pattern of domestic violence between the parents, with both parents committing violent acts against the other parent or another family or household member.
- 21. If the court restricts a parent's visitation or custody with a child due to domestic violence, the court may also restrict that parent's access to address information within a child's educational records. *(Check one of the three boxes)*
 - There has been no domestic violence by either parent.
 - □ There has been domestic violence committed by □ Petitioner □ Respondent against the other parent or one of the children. The educational records of the children **shall not** include the address of the other parent or the children. (*Check Petitioner or Respondent if you choose this option*)
 - □ There has been domestic violence committed by □ Petitioner □ Respondent against the other parent or one of the children. However, the educational records of the children may include the address of the other parent or the children. (Check Petitioner or Respondent if you choose this option)

Child Support Calculations

Child Support

Child support is an amount of money paid by one parent to the other parent for the support of the children. In addition to a regular monthly child support payment, other expenses of the children may be divided between the parents as child support.

Form 14

The Form 14 is a form used to calculate a presumed amount of child support. The Form 14 is part of this *Parenting Plan* and is found on Part B, Page 8. The court will usually follow the Form 14, however, if the court finds that the child support calculated pursuant to the Form 14 is unjust or inappropriate, it will set child support at a different amount.

Parents must also determine the division and amount of other expenses of the children such as medical and dental insurance, uncovered medical and dental expenses, childcare, and other extraordinary expenses. These expenses are part of the child support obligations of each parent.

Parents may agree on an amount of child support and the division of expenses. The court does not have to accept this agreement and can set different support amounts. Even if the parents have agreed on an amount of child support, **they must still calculate a Form 14 for the court**.

Missouri law further provides that "An award of joint physical custody does not preclude an award of child support pursuant to Section 452.340 and applicable supreme court rules in determining an amount reasonable or necessary for the support of the child." §452.375.12, RSMo. Child support may be appropriate even if both parties have custody of the children an equal amount of time.

3. Parent to Pay Child Support (Check one of the two boxes)

One parent must be called the "parent paying support" and the other parent must be called the "parent receiving support." This is true even if no child support is going to be paid.

- □ Petitioner □ Respondent will pay regular monthly child support to □ Petitioner □ Respondent. (Check Petitioner or Respondent if you choose this option)
- No regular monthly child support will be paid by either parent. ☐ Petitioner ☐ Respondent will be referred to as "parent paying support" for purposes of the Form 14 calculation only. The other parent will be referred to as "parent receiving support." (Check Petitioner or Respondent if you choose this option)

Parenting Plan - Part B Form CAFC501 07/01/2020

Medical and Dental Insurance for the Children

Cost of Medical or Dental Insurance for the Children

The cost of medical or dental insurance for the children is the monthly amount of any premium paid. If the parent's employer deducts the amount of premium from his or her pay, then the cost of medical or dental insurance includes the amount of the premium paid. It does not include the cost of medical or dental insurance for the parent's spouse, or other children that are not covered by this *Parenting Plan*. The cost of medical or dental insurance for the children is included on Line 6c of the Form 14.

The Form 14 states: "If the amount of the actual health insurance costs for the children who are the subject of this proceeding is not available or cannot be verified, the amount of the health insurance costs attributable to the children who are the subject of this proceeding shall be calculated by dividing the total monthly costs for the policy of health insurance by the total number of persons for whom the costs are paid or to be paid and then multiplying the resulting figure by the number of children insured under the policy who are the subject of this proceeding."

- 4. Parent Responsible for Medical Insurance (Check one of the three boxes)
 - □ Neither parent is required to maintain **medical** insurance for the benefit of the children. A health benefit plan is not available at reasonable cost through either parent's employer or union. If the parents receive child support services through the Family Support Division, the parents shall notify the Family Support Division of any changes in employment, whether health insurance is available through their employer, other group plan or the Affordable Care Act, provide the name of the insurance provider when coverage is available, and any other changes in access to health insurance coverage.
 - Petitioner Respondent shall maintain and pay the cost of **medical** insurance for the benefit of the children.
- 5. Parent Responsible for Dental Insurance (Check one of the three boxes)
 - ❑ Neither parent is required to maintain **dental** insurance for the benefit of the children. A health benefit plan is not available at reasonable cost through either parent's employer or union. If the parents receive child support services through the Family Support Division, the parents shall notify the Family Support Division of any changes in employment, whether dental insurance is available through their employer, other group plan or the Affordable Care Act, provide the name of the insurance provider when coverage is available, and any other changes in access to health insurance coverage.
 - Petitioner Respondent shall maintain and pay the cost of **dental** insurance for the benefit of the children.

6. Medical and Dental Insurance for the Children

You must enter an amount on both lines, even if you enter "0." These amounts should also be entered on line 6c of the Form 14.

The total cost of medical and/or dental insurance paid by Petitioner for the minor children is per month.

The total cost of medical and/or dental insurance paid by Respondent for the minor children is per month.

In the event either parent is required to maintain medical or dental insurance, the parent providing the health benefit plan shall provide to the other parent an insurance identification card.

If support rights have been assigned to the state of Missouri or the Family Support Division is providing support enforcement services to either parent, the parent paying support shall notify the Family Support Division regarding the availability of medical insurance coverage through an employer or a group plan, provide the name of the insurance provider when coverage is available, and inform the division of any change in access to such insurance coverage.

Health Expenses Not Covered by Insurance

7. Medical, Dental, Vision, or Psychological Expenses not Covered by Insurance

Any parent who receives a bill for medical, dental, vision or psychological expenses of the children shall submit a copy of that bill to the other parent within 30 days of the receipt of the bill.

(Check one of the three boxes)

□ The parent □ receiving support □ paying support will pay all reasonable and necessary medical and dental expenses of the children not covered by insurance. Amount of Child Support

14. Presumed Monthly Amount of Child Support (*Complete all applicable amounts*) The court-ordered support amount is set forth in Part B, Paragraph 16.

The presumed child support amount calculated pursuant to Form 14 for six children is: The presumed child support amount calculated pursuant to Form 14 for five children is: The presumed child support amount calculated pursuant to Form 14 for four children is: The presumed child support amount calculated pursuant to Form 14 for three children is: The presumed child support amount calculated pursuant to Form 14 for three children is: The presumed child support amount calculated pursuant to Form 14 for two children is: The presumed child support amount calculated pursuant to Form 14 for two children is: The presumed child support amount calculated pursuant to Form 14 for one child is: The presumed child support amount calculated pursuant to Form 14 for one child is:

15. Should the court order the presumed monthly amount of child support? (Check one of the two boxes)

Court-ordered child support will be set at the time of the court proceeding. The court is not bound by the suggestions of the parents and may set an amount greater or less than the suggested amounts of court-ordered child support set forth in this *Parenting Plan*. If the court approves and adopts this plan, then the support provisions herein will become the order of the court.

- Yes. The court-ordered child support is the same as the presumed child support amount. The presumed child support amount as calculated herein is not rebutted as being unjust and inappropriate.
- No. The court-ordered child support is different from the presumed child support amount in the Form 14. After consideration of all statutory and other relevant factors pursuant to §452.340.8, RSMo, the presumed child support amount is rebutted as unjust and inappropriate due to
- 16. Court-Ordered Child Support (Check all applicable boxes)

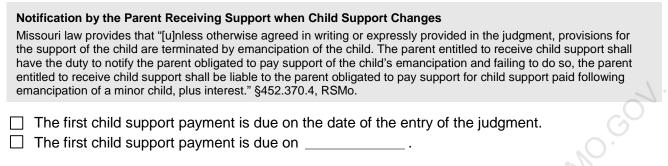

This is the amount of child support that actually will be paid by the parent paying support.

You should check each box that applies. For example, if this *Parenting Plan* pertains to three children, then you should check the boxes for three children, two children and one child. You should also enter an amount of support for three children, two children, and one child, respectively. You must attach a Form 14 for each level. For example, if you have three children, then you must attach one Form 14 for three children, one Form 14 for two children, and one Form 14 for one child.

If you check one of the boxes below, you must check all the boxes below it. Once again, if you only check the box for two children and do not check the box for one child, then no support is owed when only one child remains.

- Six or More Children The parent paying support is to pay to the parent receiving support
 \$______ per month when the parent receiving support is entitled to support for six or more children covered by this *Parenting Plan*.
- ☐ Five Children The parent paying support is to pay to the parent receiving support \$ ______ per month when the parent receiving support is entitled to support for five children covered by this *Parenting Plan*.
- Three Children The parent paying support is to pay to the parent receiving support \$ ______ per month when the parent receiving support is entitled to support for three children covered by this Parenting Plan.
- Two Children The parent paying support is to pay to the parent receiving support \$ ______ per month when the parent receiving support is entitled to support for two children covered by this *Parenting Plan*.
- One Child The parent paying support is to pay to the parent receiving support \$ ______ per month when the parent receiving support is entitled to support for one child covered by this *Parenting Plan*.

17. Starting Date for Child Support (Check one of the two boxes if either parent is paying child support in Part B, Paragraph 16)

Income Tax Considerations

18. Income Tax Dependents

The Form 14 calculation assumes that the parent receiving support will claim the children as dependents. If the parent paying support is entitled to claim one or more of the children, then the Form 14 guidelines are unjust and inappropriate and the second box in Paragraph 15 should be checked.

The parents shall be entitled to claim the minor children as dependents for income tax purposes as follows:

Name of Child	In odd numbered tax years, this parent will claim this child as a dependent	In even numbered tax years, this parent will claim this child as a dependent
	\sim	
R		
B		
Ale a		

Parent paying support must be current with all support obligations as of December 31 of the tax year in which the child is to be claimed. Each parent will sign any appropriate documents to allow the other parent to make such claims.

Payment of Child Support and Income Withholding

Income Withholding

Income Withholding means that the child support is taken directly out of the paycheck of the parent paying support. These payments could be taken out of money from an employer, or other types of payments like Social Security disability benefits, unemployment compensation benefits or military retirement benefits. The amount withheld is sent to the Family Support Payment Center. The Family Support Payment Center will then forward the support to the parent receiving support. Child support withheld under an income withholding order cannot be sent directly to the parent receiving support. A record will be kept of all payments. If the parent paying support is currently unemployed or self-employed, income withholding may still be ordered, but it will not take effect until the parent paying support begins receiving regular income.

If income withholding is not ordered, then the child support may be paid directly to the parent receiving support. The parent paying support may also voluntarily send payments to the Family Support Payment Center. If the child support is not paid to the Family Support Payment Center, it is extremely important that each parent keep accurate records of the amount of child support paid. This means that the parent paying support may not receive credit for his or her payments if he or she does not have receipts or cancelled checks. Because of this, it is proper to request a receipt from the parent receiving support.

If parents receive Temporary Assistance For Needy Families (TANF) benefits through the Missouri Family Support Division or receive child support enforcement services through the Missouri Family Support Division, child support **must** be paid through the Family Support Payment Center.

Even if the court does not order income withholding right now, the Family Support Division may issue an income withholding order at a later time if the parent paying support fails to make timely child support payments as ordered.

- 19. Method of Payment of Child Support (Check one of the five boxes if either parent is paying child support in Part B, Paragraph 16)
 - ☐ Child support shall be paid through income withholding. An application for income withholding for support shall be prepared by the parent receiving support and issued by the circuit clerk upon the effective date of this judgment. Child support is ordered to be paid to the Family Support Payment Center, PO Box 109001, Jefferson City, Missouri, 65110-9001.
 - Income withholding will not issue because a written agreement has been reached between the parents that provides for an alternative arrangement. Child support shall be paid directly to the Family Support Payment Center, PO Box 109001, Jefferson City, Missouri, 65110-9001.
 - Income withholding will not issue because there is good cause not to require immediate income withholding for the reason that implementation of an immediate withholding would not be in the best interest of the child and the parent paying support has made timely payments of all previously ordered support. Child support shall be paid directly to the Family Support Payment Center, PO Box 109001, Jefferson City, Missouri, 65110-9001.
 - Income Withholding will not issue because a written agreement has been reached between the parents that provides for an alternative arrangement. Child support shall be paid directly to the parent receiving support.
 - Income Withholding will not issue because there is good cause not to require immediate income withholding for the reason that implementation of an immediate withholding would not be in the best interest of the child and the parent paying support has made timely payments of all previously ordered support. Child support shall be paid directly to the parent receiving support.
