You must give notice by certified mail of the proposed change of principal residence on or before the 45th day before a proposed change of principal residence. If you do not know and cannot reasonably become aware of such information in sufficient time to provide a 45-day notice, you must give such notice by certified mail no later than the 10th day after the date that you obtain such information.

Your failure to notify other parties entitled to notice of your intent to change the principal residence of a child may be taken into account in a modification of the custody of or visitation with the child.
