

# METHAMPHETAMINE OR FENTANYL CONTAMINATION DISCLOSURE

Pursuant to California Health & Safety Code § 25400.28

The owner or landlord of a property must disclose any known prior methamphetamine or fentanyl contamination of the premises, including notice of remediation and a copy of the remediation clearance, if applicable.

This form must be presented to the tenant prior to occupancy.

**Property Address:** \_\_\_\_\_

## DISCLOSURE OF CONTAMINATION HISTORY

(check one)

- ☐ - The property has **never been known** to be contaminated by methamphetamine or fentanyl.
- ☐ - The property **was previously** contaminated by methamphetamine or fentanyl and has since been remediated.

If remediated, attach a copy of the official remediation clearance document issued by the certified industrial hygienist or remediation contractor.

## ACKNOWLEDGEMENT OF DISCLOSURE

I/we, the undersigned, acknowledge that I/we have received the above disclosure and, if applicable, a copy of the official remediation clearance document.
