## **POLICY FOR ORDERING METAL BRACELETS**

1. Designated agency or physician contacts the CT College of Emergency Physicians' (CCEP) DNR telephone line or website to order bracelet(s).
2. CCEP will mail out the order forms to the designated agency or physician.
  - This order form will include 4 forms:
    - Policy for ordering bracelet(s)
    - Instructions on how to order bracelet(s)
    - Purchasing Form
    - DNR Order (Physician has in medical record)
3. The agency or physician will return the order form with a BUSINESS check or money order to the CCEP. The CCEP does not accept cash or personal checks. Additionally, the CCEP cannot accept orders directly from a patient nor are any forms sent to a patient.
4. CCEP will contact the company with the order information and the bracelet will be engraved and sent back directly to the agency or physician along with a new DNR order form to order additional bracelets, the regulations, etc. All orders must be paid in full to CCEP by the designated agency or physician before a bracelet will be engraved.

NOTE: It is the policy of CCEP that ALL communications for DNR orders are handled through the designated agency or physician and CCEP. The DNR telephone line is not for public knowledge. If a patient does contact CCEP, we will refer the patient back to the designated agency or their physician to obtain a bracelet.
