

This form lets you have a say about how you want to be treated if you get very sick.

This form has 3 parts. It lets you:

- 1 Choose a medical decision-maker**
A medical decision-maker is a person who can make health care decisions for you if you are too sick to make them yourself.
- 2 Make your own health care choices**
This form lets you choose the kind of health care you want. This way, those who care for you will not have to guess what you want if you are too sick to tell them yourself.
- 3 Sign the form**
It must be signed before it can be used.

You can fill out **Part 1, Part 2, or both.**
Fill out **only** the parts you want. Always sign the form in Part 3. 2 witnesses need to sign on page 11.

Your Name: _____

Share this form and your choices with your family, friends, and medical providers.

Pennsylvania Advance Health Care Directive

PART 1

Choose your medical decision-maker

The person who can make health care decisions for you if you are too sick to make them yourself.

Whom should I choose to be my medical decision-maker?

A family member or friend who:

- Is at least 18 years old
- Knows you well
- Can be there for you when you need them
- You trust to do what is best for you
- Can tell your doctors about the decisions you made on this form

Your decision-maker **cannot** be your doctor or someone who works at your hospital or clinic, unless they are a family member.

What will happen if I do not choose a medical decision-maker?

If you are too sick to make your own decisions, a person will be chosen for you according to Pennsylvania law. This person may not know what you want.

What kinds of decisions can my medical decision-maker make?

Agree to, say no to, change, stop or choose:

- Doctors, nurses, social workers
- Hospitals, clinics, or where you live
- Medications, tests, or treatments
- What happens to your body and organs after you die

Your decision-maker will need to follow the health care choices you make in Part 2.

Pennsylvania Advance Health Care Directive

PART 1

Choose your medical decision-maker

Other decisions your medical decision-maker can make:

Life Support Treatments

Medical care to try to help you live longer

- **CPR or cardiopulmonary resuscitation**
 - (cardio = heart) (pulmonary = lungs) (resuscitation = to bring back)
 - This may involve:
 - Pressing hard on your chest to keep your blood pumping
 - Electrical shocks to jump-start your heart
 - Medicines in your veins
- **Breathing machine or ventilator**
 - The machine pumps air into your lungs and breathes for you. You are not able to talk when you are on the machine.
- **Dialysis**
 - A machine that cleans your blood if your kidneys stop working.
- **Feeding Tube**
 - A tube used to feed you if you cannot swallow. The tube is placed down your throat into your stomach. It can also be placed by surgery.
- **Blood transfusions**
 - To put blood in your veins.
- **Surgery**
- **Medicines**

End of Life Care

If you might die soon your medical decision-maker can:

- Call in a spiritual leader
- Decide if you die at home or in the hospital
- Decide where you should be buried

Show your medical decision-maker this form.

Tell your decision maker what kind of medical care you want.

Put an X next to the sentence you agree with:

- My medical decision-maker can make decisions for me right after I sign this form.
- My medical decision-maker will make decisions for me **only** after I cannot make my own decisions.

How do you want your medical decision maker to follow your healthcare wishes?

Put an X next to the one sentence you most agree with:

- Total Flexibility:** It is OK for my decision-maker to change any of my medical decisions if my doctors think it is best for me at that time.
- Some Flexibility:** It is OK for my decision-maker to change some of my decisions if the doctors think it is best. But, these are some wishes I never want changed:

-
- No Flexibility:** I want my decision maker to follow my medical wishes exactly, no matter what. It is not OK to change my decisions, even if the doctors recommend it.

To make your own health care choices, go to **Part 2** on the next page.
If you are done, you must sign this form on **page 9**.

Pennsylvania Advance Health Care Directive

PART 2

Make your own health care choices

Write down your choices so those who care for you will not have to guess.

**Think about what makes your life worth living.
Put an X next to all the sentences you most agree with:**

My life is only worth living if I can:

- Talk to family or friends
- Wake up from a coma
- Feed, bathe, or take care of myself
- Be free from pain
- Live without being hooked up to machines
- My life is always worth living no matter how sick I am
- I am not sure

If I am dying, it is important for me to be:

- At home
- In the hospital
- I am not sure

Is religion or spirituality important to you?

- No
 - Yes
- If you have one, what is your religion?

What should your doctors know about your religious or spiritual beliefs?

If you are sick, your doctors and nurses will always try to keep you comfortable and free from pain.

Pennsylvania Advance Health Care Directive

PART 2

Make your own health care choices

Life support treatments are used to try to keep you alive. These can be CPR, a breathing machine, feeding tubes, dialysis, blood transfusions, or medicine.

Please read this whole page before you make your choice.

Put an X next to the one choice you most agree with.

If I am so sick that I may die soon:

- Try all life support treatments that my doctors think might help. If the treatments do not work and there is little hope of getting better, **I want to stay on life support machines** even if I am suffering.
- Try all life support treatments that my doctors think might help. If the treatments do not work and there is little hope of getting better, **I do NOT want to stay on life support machines.** If I am suffering, I want to stop.
- I do not want life support treatments,** and I want to focus on being comfortable. I prefer to have a natural death.
- I want my **medical decision-maker** to decide for me.
- I am not sure.

***If you are pregnant and become unable to make decisions:**

Pennsylvania law may require your doctor to give you life support treatments even if you have an advance directive.

If you want to write down medical wishes that are not on this form, go to page 9.
