24. **Property Inspections** (Select as noted): Purchaser has been advised of the availability of property inspections/tests. Unsatisfactory Home Condition, Asbestos, Mold, Lead and other contaminants may exist in the Property of which the Broker or Agent is unaware. Suspected Contaminants and home condition may be identified with a typical air quality or home inspection(s). Broker recommends Purchaser obtain inspection(s) of Purchaser’s choice to better determine the presence of contaminants and home condition.

Purchaser identifies the following inspections/tests, as selected, which may be ordered:

- Whole House Inspection\*or components or subsystems
- Structural
- Mold
- Septic System
- Well
- Lead Based Paint
- Radon test
- Other \_\_\_\_\_

\*“Whole house” inspections often include, but are not necessarily limited to, structure, exterior, roofing, plumbing, electrical, heating, central air conditioning, interior, insulation and ventilation. In some instances it may be advisable to consult a structural engineer as part of the inspections to the Property. Occasionally, whole house inspectors may use or recommend other inspectors in the course of a whole house inspection and they will be considered as part of the whole house inspection for notification purposes.

Purchaser elects NOT to obtain property inspections.

If Purchaser has elected to obtain property inspections, then the following provisions shall apply:

Within seven (7) business days (or \_\_\_\_\_) after the final acceptance of this Purchase Agreement, Purchaser, at Purchaser’s expense, shall have the right to have a “qualified” inspector or inspectors perform any and all inspections of the real property as identified above, to determine whether the Property is satisfactory to Purchaser. To be “qualified” an inspector must be licensed, if required, in the state, county or city in which the Property is located. In any case, the inspections performed with regard to the Property under this Agreement must be in the ordinary course of the inspector’s business. The inspection report may or may not cover items required by the appraisal. Seller will allow inspectors reasonable access to the property within the specified timeframe.

If Purchaser chooses to have a radon test, and the results of the radon test show average radon levels of 4 picocuries per liter of air (pCi/L) or higher, Seller will have a licensed radon mitigation company professionally install a mitigation system and will either provide after-installation test results of below 4.0 picocuries per liter of air, or a guarantee from the radon mitigation company that the level of radon will be below 4.0 picocuries, with a transfer of the warranty to Purchaser. A copy of the paid receipt and either test results or guarantee will be provided to Purchaser prior to closing. Should Seller successfully complete mitigation under this Section, Purchaser agrees to accept the Property in its mitigated condition.

Purchaser's Response to Inspection Reports: Within three (3) business days of Purchaser's receipt of all requested inspection reports, the Purchaser shall notify Seller of Purchaser's requested course of action, which may be delineated on a property inspection resolution addendum and Purchaser shall also provide Seller with relevant pages of the inspection report(s). Purchaser's course of action shall be set forth as one of the three following options:

Option "A" – After receipt of Inspections, the Purchaser(s) may choose not to request any action of Seller and to waive further objection regarding the home inspection findings.

Option "B" – If the report(s) reveal(s) any condition, issue or defect that is unsatisfactory to Purchaser, the Purchaser may deliver a written request for repair and or remediation, as required, to the Seller. Such request shall include a copy of the relevant inspection report or summary from the qualified inspector.

Option "C" – If the condition of the Property, as shown in any inspection or report, is unsatisfactory to Purchaser(s), then the Purchaser may terminate the Purchase Agreement with written notice to the Seller, at which time Purchaser shall be paid the Deposit with no further agreement or release required. Upon Seller's request, Purchaser agrees to provide a copy of the relevant inspection report or summary from the qualified inspector.

Purchaser's failure to deliver the report and written notification or request within the specified time period will result in Purchaser's acceptance of the Property "as is" and Purchaser shall be deemed to have waived any objection based on Property inspections under this section.

Seller's Response to Inspection Notice: Within three (3) business days of receipt of a property inspection removal addendum, Seller shall notify Purchaser, in writing of what steps, if any, the Seller will take to correct any identified condition, issue or defect before closing. The failure of Seller to deliver a response before the expiration of this time period shall be treated as a notification that Seller will not make any repairs.

If the Seller is unwilling or unable to remedy the identified conditions, issues or defects to the Purchaser's reasonable satisfaction, the Purchaser: (i) may elect to give written notice that Purchaser accepts the Property without any repairs or remediation to be done by Seller; (ii) may notify Seller that Purchaser has elected to void the Agreement. If Purchaser elects to void the Agreement, Purchaser shall be paid the Deposit with no further agreement or release required. If Purchaser does not elect to take the Property "as is" or elect to void the Agreement within three (3) business days of the Seller's response (or the deadline for response, if no response was timely provided), Purchaser shall be deemed to have elected to purchase the Property "as is" and shall be deemed to have waived Purchaser's rights under this Section.

**25. Purchaser's Personal Inspection:** This offer is based upon Purchaser's personal inspection or investigation of the property and not upon any representation or warranties of condition by Seller or any limited agents involved in this transaction. If finished sq.ft., age, location of property lines, lot size, condition of improvements, protective covenants, designated school or school district, or other specific requirements are important to Purchaser's decision to purchase, Purchaser acknowledges the limited agents have advised Purchaser to make or procure independent investigations.

**26. Condition of Property:** Seller represents to the best of Seller's knowledge, information and belief, there are no material, latent defects in the Property nor any conditions present or existing with respect to the Property which may give rise to or create Environmental Hazards or Liabilities and there are no enforcement actions pending or threatened with respect to the Property or any conditions present on it, except as have been disclosed in writing to Purchaser. Seller agrees to maintain the landscaping, sprinkler system, heating, air conditioning, water heater, sewer, plumbing, electrical systems and any built-in appliances in functional and operable condition until delivery of possession, unless otherwise noted in the Seller Property Condition Disclosure Statement or specified herein. Seller will allow Purchaser to walk through Property within \_\_\_\_\_ days before closing to confirm compliance with this Purchase Agreement.

**27. Wood Infestation:** Purchaser (Seller, in the case of a new VA loan) agrees to pay the cost of a wood destroying insect inspection of the Property, and Seller agrees to pay for any treatment or repair work found necessary for issuance of a wood destroying insects warranty. Termite inspection work is to be performed by  \_\_\_\_\_ or  \_\_\_\_\_. Purchaser agrees to designate the inspector for such inspection in writing to Seller's Agent within ten (10) days after acceptance of this offer. Purchaser agrees to accept the treated Property upon completion of repairs. Provided, however, if treatment and repairs exceed  2% or  \_\_\_\_\_ of the purchase price, this Purchase Agreement may be cancelled by Seller and/or Purchaser, by written notice delivered to the other party within five (5) days of receipt of a wood destroying insect inspection report, which inspection report must be delivered to the Seller and Purchaser not later than fifteen (15) days prior to the approximate closing date set forth in Section 14, above, at which time Purchaser shall be paid the Deposit with no further agreement or release required.

28. **Insurance:** Seller shall insure the property for fire, wind, hail, explosion, water or any other cause at no less than replacement cost until closing. Risk of loss or damage to Property, prior to closing, shall be the responsibility of Seller. If, prior to closing, the structure on the Property is materially damaged; Seller shall immediately notify the Purchaser in writing of the damage. Purchaser, at Purchaser's choice, may: 1) rescind this Agreement, at which time Purchaser shall be paid the Deposit with no further agreement or release required; or 2) take the Property subject to the damage, with the Seller paying to the Purchaser the insurance proceeds and deductible for the replacement of the Property or at a price discounted by the cost of restoration of the Property. Purchaser agrees to insure the Property at closing.

29. **Smoke Detectors and Carbon Monoxide Alarms:** Seller agrees to install, at Seller's expense, smoke detectors and carbon monoxide alarms as required by law.

30. **Compensation of Selling Broker:** Purchaser shall pay Selling Broker compensation of \$ \_\_\_\_\_ at closing. The compensation will be collected in all cases except if Purchaser secures a loan that does not allow Purchaser to pay for such compensation. If this compensation is paid by Purchaser to Selling Broker, Seller and Purchaser agree that Selling Broker, which may be the same as the Listing Broker, or any cooperating broker may collect compensation from both Seller and Purchaser.

31. **Lead-Based Paint Addendum:** Was property built before 1978?  Yes  No. If yes, Purchaser and Seller must complete Disclosure of Information on Lead-Based Paint and/or Lead-Based Paint Hazards.

32. **Equal Opportunity:** It is unlawful to discriminate against any person in the terms, conditions or privileges of sale, purchase or lease of a dwelling or in the division of services or facilities in connection therewith because of race, color, religion, national origin, ethnic origin, familial status, sex, handicap, disability, or sexual orientation, or age in the City of Omaha if an individual is forty (40) years of age or older.

33. **Modification in Writing:** Any modification of the terms of this agreement must be in writing and signed by all parties.

34. **Electronic Transaction Authorization:** The undersigned agree that all documents bearing signatures, initials or other marks of acknowledgement by a Purchaser, Seller and/or Broker/agent relating to a real estate transaction contemplated under this Agreement, including offers, counteroffers and acceptances: (1) may be transmitted electronically, and/or may use digital signature technology which is compliant with state UETA and/or federal E-SIGN requirements and (2) that digital signatures as well as electronic copies of manual signatures, whether scanned, digital photograph, facsimile or other means of image reproduction shall be treated in all respects as originals, and (3) that they will submit all original signatures if requested by the other party. This Agreement and any addendums or modifications may be signed in counterparts and such counterparts shall be considered as one document.

35. **Arbitration and Mediation:**

A. **Disputes:** The term "Dispute" shall include, without limitation, any controversy, complaint, dispute, claim or disagreement relating to or arising out of the construction, interpretation, enforcement, or breach of the terms of this Purchase Agreement between Purchaser and Seller.

B. **Mediation:** In the event of any Dispute, any party to the Dispute may seek non-binding mediation in an attempt to resolve the dispute by giving fifteen (15) days written notice of a request for such mediation to all other parties to the Dispute. The request for mediation must be made within three hundred sixty five (365) days after the party making the request knew, or exercising reasonable diligence and care, should have known, of the Dispute. In no case shall such request be made after the statute of limitations on a civil suit based on the Dispute would have run. Such mediation shall be administered by the American Arbitration Association and shall be conducted according to the American Arbitration Association's Commercial Rules – Real Estate Industry Arbitration Rules (including a Mediation Alternative) or such other mediation service versed in real estate practices of the locality.

C. **Arbitration:** Any Dispute that is not resolved by informal settlement or mediation shall be resolved exclusively by binding arbitration. Such arbitration shall be administered by the American Arbitration Association and shall be conducted according to the American Arbitration Association's Commercial Rules – Real Estate Industry Arbitration Rules (Including a Mediation Alternative). The arbiter(s) shall apply Nebraska substantive and procedural law to the arbitration proceeding. Arbitration shall be commenced by written demand made by any one or more of the parties to the Dispute given to all other parties to the Dispute. The demand for arbitration must be in writing and must be given by personal delivery or certified mail, return receipt requested, within three hundred sixty five (365) days after the party making the demand knew, or exercising reasonable diligence and care, should have known, of the Dispute. Notwithstanding the previous sentence, in the case that the parties unsuccessfully attempt mediation to resolve a Dispute, the demand for arbitration shall be made within sixty (60) days of the final mediation session. However, in no case shall such demand be made after the statute of limitations on a civil suit based on the Dispute would have run. The prevailing party shall be entitled to costs and fees of the arbitration and, in the discretion of the arbitrator who shall take into account the relative merits of the opponent's case, the arbiter may award attorney's fees and arbitration costs to the prevailing party.

- D. Provisional Remedies. The filing of a judicial action to enable the reporting of a notice of pending action, for order of attachment, receivership, injunction, or other like provisional remedies, shall not constitute a waiver of mediation or arbitration under this provision, nor shall it constitute a breach of the duty to arbitrate.
- E. Exclusions. The terms of this Section shall not apply to: 1) Foreclosure or other action or proceeding to enforce a deed of trust, mortgage or land contract; or 2) The filing or enforcement of a construction or similar lien.
- F. Waiver. BY SIGNING THIS PURCHASE AGREEMENT, THE PARTIES AGREE THAT EVERY DISPUTE DESCRIBED ABOVE THAT IS NOT RESOLVED BY INFORMAL SETTLEMENT OR MEDIATION WILL BE DECIDED EXCLUSIVELY BY ARBITRATION AND THAT ANY ARBITRATION DECISION WILL BE FINAL AND BINDING.
